Bidder Qualifications

Prime Bidder must be prequalified with MDOT. The net classification required for this project is 4000 Cb (Hot Mix Asphalt/Bituminous Paving) or 4000 Ea (Grading, Drainage Structures and Aggregate Construction). If the Prime Bidder is not prequalified in both classifications (4000 Cb and 4000 Ea), then the Prime Bidder must use a prequalified subcontractor for the classification for which it is not prequalified. In addition, this project includes a Specialty Item classification of L (Electrical Construction). If the Prime Bidder is not prequalified in this Specialty Item classification, then the Prime Bidder must use a subcontractor prequalified in this classification. These subcontractors must be designated prior to award of the contract to the confirmed low bidder.

There is a Disadvantage Business Enterprise (DBE) participation goal of 5.00% for this project.

A MANDATORY Pre-Bid Conference for this project will be held on **April 28, 2021, at 10:00 a.m.** (local time) at the **Bishop International Airport**, James A. Sharp Conference Room, located at G-3425 W. Bristol Road, Flint, Michigan 48507-3183.
