(Flint, Michigan) Bishop International Airport invites passengers to enroll in the popular [TSA Pre✓®](#) expedited screening program, Monday, June 15, 2020, through Friday, June 19, 2020.

TSA Pre✓® is an expedited screening program that enables identified low-risk air travelers to enjoy a smart and more efficient screening experience. There is no need to remove shoes, belt, jacket, laptop, or liquids from carry-on luggage.

Once approved, travelers are granted expedited screening for five years. TSA offers a dedicated TSA Pre✓® lane at Flint Bishop, so now is a good time to enroll. **<<Note that renewal of TSA Pre✓® benefits can be done online. There is no need to go in person to an enrollment center. This enrollment event is for new applicants only.>>**

Applicants are encouraged to begin the enrollment process online at www.identogo.com/precheck. Once you arrive at step 4 of 4, type in your location as "Flint, MI" and then select Flint, MI, 3425 W Bristol Rd, Bishop International Airport." Choose Next, at the bottom of the screen and select an appointment time (the first available shows, but you can use the drop down to choose a different date and/or time). This year's enrollment will be slightly different due to social distancing guidelines. We will have proper signage and seating to accommodate the 6ft apart rule.

An in-person visit to an enrollment center is required to complete the TSA Pre✓® enrollment process. Applicants must bring a current U.S. passport **or** a driver license and a certified copy of a birth certificate. Fingerprints will be collected during enrollment. If you have a valid U.S. passport, that is all you need to enroll.

The \$85 fee can be paid by credit card, money order, company check, or certified/cashier's check. **Cash and personal checks are not** accepted.
