I. CLARIFICATIONS

Project Manual:

- a. None

II. QUESTIONS:

- a. Q1. If we need to bid to spec (brushed aluminum material on all signs calling that out), can we provide an alternate bid to include a different material/finish?

A1. The project manual specifies proposed substitution requests; Section 012500 SUBSTITUTION PROCEDURES.

See attached: Substitution Request Form; CSI Form 1.5C Issued

- b. Q2. Regarding "premium" hours being allowed to work; would our installers be allowed to work for example 7am to 7pm?

A2. There is no issue with contractors working extended hours. Contractors will need to be badged regardless so hours beyond normal business hours is acceptable.
